Seeding Tables (through 5/9/2021)

Here are updated seeding tables, for games played through 5/9. All girls games are being counted at this time. For boys, the games that are counted are those that were assigned by Rugby Ohio in the master schedule, with some additions as needed due to COVID cancellations and forfeits. The schedule sheet shows which games count for which team. Games were added from non-scheduled games to try to get every team to the 5 or 6 counted game level without sending other teams into the 7 or 8 counted game level. (The schedule sheet is very small but you can zoom to see the detail.)

Please email [Competitions](#) if you have any questions.

Division Brackets

Your playoff bracket will be defined at the conclusion of regular season matches. Boys finish regular season games this weekend. Girls finish regular season games next weekend. For planning purposes, the charts below show the various options. A 3-team division gives the bye to #1 and #2 plays #3 in the semis.
