Week 1 was a success! Both locations adjusted as needed and everyone worked together to give several hundred kids lots of rugby games. Thank you all!

Vermillion Fields

The Vermillion fields are a great location for us in many ways and now that the first week has taken place, we feel that we can make some meaningful improvements to help the rest of the season go more smoothly.

This map will also be sent to all parents in *The Grubber* by Friday. We will have parking attendants, a parking shuttle to travel back and forth between the fields and a nearby parking lot, additional restrooms and concessions. Vermillion does not have any way for us to provide a refill station for your team's water bottles. Please plan for accordingly for Sunday. We are looking into having a palette of case water delivered to the fields but there is no telling how long that will last.

Team captains are asked to report to the midfield tent on their game field at halftime of the previous game to do the coin toss. This will help speed up the transition between games tremendously in order to keep the field on schedule. Teams must be ready to take the field immediately upon conclusion of the previous game.

Week 2 Schedule

Please don't forget to submit your Team Sheets by Saturday. Thank you!

Schedules for Weeks 3, 4 and 5 will all be sent out next Monday, 10/4.
