*Congratulations to the Runner-Ups of the 2021 National Championship,  
St. Ignatius Wildcats!*

This was the first appearance for the Wildcats at the National Championship in Kansas City, MO. These student-athletes demonstrated their true resiliency, able to play three games in three days through intense temperature conditions. Head Rugby Coach Dan Arbeznic said it perfectly, that while coming in second place may not have been what they hoped for, "I know looking at the history of the club; they'll look back and understand what a terrific year it was for the kids and the school."
