

THE GRUBBER

Week 3 Schedules - UPDATED!

The good news is we've had more teams join in for the fun. The bad news is that means a schedule update. Please review the schedule for changes. There were minor changes for northern boys, changes for northern girls and for southern boys.

Don't forget about your Rugby Ohio website resources for schedule and score information. Refer to the [Competitions](#) page or the [Club Finder](#). On the Club Finder, if you select your team, you'll only see your team's games.

We ask that you bring as few cars as possible to the Vermilion fields. Please have your players carpool. Rain is in the forecast for the next couple of days and if the ground is wet we lose all of the parking on the grass.

The Week 4 schedule is being revised now. We will send an update Monday. Thank you for your patience as we work to include as many players as possible!
