Updated Spring 2022 Schedule

A lot has happened over the past few months with new and returning spring teams. We see this turning into one of the strongest high school seasons in Rugby Ohio history! Looking forward to it!

Please review the attached updated schedule carefully. Here are some data points for you to keep in mind:

- Teams compete against other regional conference teams during the regular season.
- Teams participate in the playoffs against teams of similar composition.
- Teams play their games in the assigned week. The home team identifies a day/time within that week (weeks run Monday to Sunday) and then confirms with the visiting team.
 - Exceptions for scheduling outside of the assigned week must be approved in advance by the Competitions Committee.
- High School games are not to be scheduled on Saturdays unless the visiting team travels more than 100 miles. There are limited referees within the state and college/club games take place on Saturdays. We ask that you do everything you can to avoid Saturdays.
- Teams may schedule additional games. If teams schedule more than 8 games per side, they will be assessed an additional fee to cover ref and trainer costs.
- Spring 2023 schedules have been added. Rugby Ohio will update in June (if there are changes) and then again in November.
- The new [coach contact list](#) has been downloaded from Sportlomo. If you have not yet registered, you are not on the list. An old contact list can be found [here](#). Updated system lists will be provided regularly.
 - Please send any requests for who to indicate as head coach or scheduling contact to info@rugbyohio.com. People will not be added to the new list until they register.

The topic for Monday night's Coaches Corner Call will be the spring schedule. Competitions Committee representatives will be on the call to answer your questions and provide additional information.

Teams will submit their finalized home game details to Rugby Ohio by January 1st.
