

THE GRUBBER

Groupings & Schedule

The last week of the season is here! It has been great watching the teams improve over these last weeks. We look forward to having the North and South come together in one location for the finals.

Teams from Girls Festival 1 and Girls Festival 2 will play the 6th week of the season with three games each. This week, though, we will have some cross group play with the objective of providing teams with good matchups. The Competitive Girls group is unfortunately down to 4 teams so they have been seeded and will go straight to semifinals.

The 16 remaining boys' teams have been divided and seeded into two groups, based on performance over the five previous weeks. The top 8 will play for the Boys' Cup and the bottom 8 will play for the Boys' Shield. In keeping with previously established policy, B sides are not allowed to compete for the Cup. Both Cup and Shield competitions will be knock-out format but all teams will still have 3 games.
