

Buckeye Invitational

Mark your calendars! June 25th & 26th, 2022, Dublin, Ohio!

Rugby Ohio is hosting a select side tournament to cap off the high school 15s season. Teams from around the country, including favorites like Celtic Elite, academy programs and traditional state all star teams will participate.

How do Ohio players become involved? Each regional conference will have a select side and the select sides will play games against each other on June 11/12 and 18/19. From there, a statewide side will be named to play in the Buckeye Invitational.

Coaches nominate players to attend regional Player ID camps that will take place in April and May.

Collegiate coaches and national program scouts will also be in attendance at the tournament.

Spring 2022 Registration Reminder

High school games begin in just a few weeks! If you haven't registered yet for the Spring 2022 season, please take a couple of minutes to get signed up.

There are programs available for K through 12th grade students. High school teams play 15s in the spring. Youth teams offer tackle and flag options to provide opportunities for a wide range of players. Rugby Ohio coaches are all registered, certified, background checked and Safe Sport trained for all age groups. Visit the [Spring 2022 Registration news story](#) for more information.

Players who played 7s in the fall do not need to register again but do need to pay a \$95 fee for the spring season. Click on this [link](#) to complete that purchase if you haven't already done so. Thank you to those who have already taken care of this.

We look forward to seeing you soon. Reach out to info@rugbyohio.com if you have any questions or need a sibling discount. Use the general Registration button below or visit your [Regional Conference](#) page to find your club's direct link.
