A. GENERAL REGULATIONS

1) Eligibility

1.1. TEAM ELIGIBILITY

- 1.1.1. "Team" means a group of at least 15 high school players, for the Spring 15s season, or at least 9 high school players for the Fall 7s season, with a coach, organized and registered with Rugby Ohio, and in good standing, to participate in the League.
- 1.1.2. All high school players on a team must be at least 14 years of age at the time of registration and be enrolled in the 9th through 12th grades.
- 1.1.3. A High School Rugby Team must be based on a state or nationally-accredited school that issues high school graduation diplomas. A Team must be represented by a roster that is limited to players that are registered students at the high school upon which the team is based including home schooled students eligible for that school's athletic activities.
- 1.1.4. No other students are permitted to be rostered on a high school rugby team or club and cannot participate in any interscholastic high school rugby matches.
- 1.1.5. Each team is strongly encouraged to be a single school team. Only if a single school team is not possible may a team draw from multiple schools. These schools must be contiguous.
- 1.1.6. Once a multi-school team builds a base of players where participation from one school is large enough to sustain a separate team, a new team will be formed as long as there are enough players to sustain the original team.
- 1.1.7. Transfers will only be granted in case of extreme hardship and only after written request is received and approved by the regional league and Rugby Ohio.
- 1.1.8. Teams may carry an unlimited number of players on their Rosters.
 - 1.1.8.1. Teams may declare a second side once they reach 40 registered players for the spring 15s season. Consideration will be given to boys' teams when they reach 35 and girls teams when they reach 30 players.

- 1.1.8.2. Teams may declare a third side once they reach 60 registered players for the spring 15s season.
- 1.1.8.3. Fall 7s teams may request a 2nd side when they reach 18 players and a 3rd side at 27 players.
- 1.1.8.4. Teams may not have more than one side compete in the same division.
 - 1.1.8.4.1. Exception: If a team has more than 75 players it has the option to enter a 2nd JV or Developmental side.
- 1.1.9. High School rugby teams, High School All Star teams and rugby teams made up of high school students or 'Under 19' players are not permitted to play contact rugby against College or Adult teams. This includes contact rugby games, contact practices or scrimmages in sevens, fifteens, or any other denomination of rugby. This is for the safety of the players and is not allowed under any circumstances.

1.2. COACH ELIGIBILITY

- 1.2.1. All Ohio High School Rugby coaches are required to have completed the USA Rugby Level 1 Coach (formerly known as Level 200) Certification Program. This program is offered under World Rugby guidance and policies and is a combination of online modules and a face-to-face workshop. Coaches are assessed online for understanding and then in the workshop for competency.
- 1.2.2. All coaches are required to register with USA Rugby. USA Rugby conducts a background check on every youth and high school coach through this registration process. Register with USA Rugby for your team. USA Rugby and USA Youth & High School Rugby may also require additional courses to maintain eligibility for coaches.
- 1.2.3. All coaches are required to take the USOPC SafeSport course through USA Rugby. The full course is valid for four years. In the three years in between full courses, a SafeSport Refresher is required. All courses are found through your USA Rugby member profile.
- 1.2.4. Coaches receive important player information through the Rugby Ohio registration process: parents' names, addresses, phone numbers, doctor's name and phone number, insurance information and any medical conditions, allergies, drug reactions and previous illnesses/injuries or surgeries relative to the athlete, as well as a signed consent form giving authorization to Rugby Ohio to obtain medical treatment for a minor. This information is sensitive and is required to be maintained in a protected manner.

5.2. SEVERE WEATHER GUIDELINES

- 5.2.1. Severe Storm: If a severe storm approaches the playing area, the safety of the players is the number one priority of coaches and referees and may require that the game be suspended while shelter is sought. In the event the game is suspended due to a severe storm ALL participants MUST clear the field immediately and move into a permanent shelter.
- 5.2.2. Lightning: If lightning is within 5 miles, the game(s) should be suspended and shelter sought. A lightning detector can identify the distance accurately but may not be available. A rough guideline is to measure the time between the lightning flash and hearing the corresponding thunder. If it is 30 seconds or less, seek shelter. It may not be possible to determine which lightning strike generated which roll of thunder. A simple rule: If you can hear it, clear it! Games should not be restarted for at least 30 minutes after the last roll of thunder is heard.

assessment. The Athletic Trainer will inspect the athlete and determine if the ambulance is needed for transport to the hospital.

5.4.3. The Athletic Trainer or Coach will assist in organizing hospital transport for the athlete by private vehicle (with family or friend) if an ambulance ride is declined or unnecessary.

5.4.4. All injuries that result in removal from a game will be recorded through the InjureFree injury reporting platform. All injuries requiring medical attention either during or after a match or practice must have a record created in InjureFree. This includes all head injuries where there is any concern of concussion.

5.4.5. If there is a dispute over the medical care of an athlete this must be brought to the attention of Rugby Ohio and the incident will be recorded in writing. Situations such as this will be dealt with on a case by case basis.

and under, this is 2 weeks (14 full days) AND be symptom free before beginning the 5-day Graduated Return to Play Protocols. Not returning to contact rugby before GRTP fully complete and symptom free.

- 5.6.4. Once a player is cleared by a physician, they should be closely monitored for any lingering symptoms by coaches, parents, teammates and medical staff and be removed from play immediately if symptoms occur.

6.8. NO SHOWS

6.8.1. A No Show occurs when a team does not show without having given notice to the opposing team.

6.8.2. A No Show results in an automatic disqualification from the state playoffs. A No Show during any post season playoff, including State and Regional, will result in an automatic disqualification from playoffs in the following season and payment of the referee fees for the games missed.

6.8.3. There is an appeals process through the Competitions Committee.

6.9. MATCH NOT PLAYED

6.9.1. If the match is not played due to team issues (e.g. not enough players, travel problems etc.), the team that is unable to play forfeits.

6.9.2. If the match is not played due to field issues (e.g. field owner will not allow play due to rain/snow, owner schedule conflict, unsafe to play, etc.), then the match should be moved to an away team facility and held on the same day and at the same time. If that is not feasible, the match should be rescheduled. If the match is not rescheduled, the score is recorded as 0-0.

6.9.3. If the match is not played due to a Rugby Ohio issue (e.g. missing official or trainer, or some other similar reason), then the match should be rescheduled. As such we have developed guidelines in an attempt to educate players, parents and coaches on proper attitude and behavior that should be exhibited at youth sports activities. In order to register for a Rugby Ohio team, players and their parents/guardians must agree to the Code of Conduct. Please be sure to review this with your parents and players. A copy of this agreement can be found here: <https://rugbyohio.com/coaches-2/#toggle-id-3>.
- 8.1.2. While the referee is responsible for calling the match, Rugby Ohio coaches are responsible for the behavior of spectators and team members. The player's coach may appeal in writing to the ORDB for a review of the case.
