

Congratulations!

We're so pleased to be able to welcome you to the first players for the Rugby Ohio Regional Select Sides! Your coaches have selected you for this honor and we hope to give you a great experience over a couple of weeks in June. Thank you for putting in the hard work and congratulations on your selection!

After the 2nd week of games, players will be announced for the statewide team, the Ohio Aviators. Those players will compete at the Buckeye Invitational on June 25/26 in Dublin.

Program fees have been kept to a minimum to ensure that all players chosen are able to participate in the Select Side teams. You'll need to complete the registration [form](#) and pay a \$25 fee but otherwise there is no cost. If your regular season team participates in the Varsity Initiative program, you'll need to register again, for a CIPP only registration so that you are insured by USA Rugby for these events. That registration carries a \$25 fee. We'll contact those players directly about this.

Please stay tuned to email for more information about any activities specific to your select side team. Your coaches will be in touch.

Schedule

All players will participate in the games. There are plenty of game minutes each weekend to ensure that everyone is involved in the games. The schedule is a little untraditional in that way and back to back games are not a problem because of the larger squad size for each program.

At the end of the two weekends, the records will determine which region has earned bragging rights as the best in state. The girls scores will be aggregate scores over the two weekends.

The Brimelow location for June 18th is still being confirmed but that day of games will take place in the Cincinnati area.

Swag!

Rugby players love kit! You'll each receive a training shirt that is yours to keep but we wanted to make additional items available to you. These items can be ordered online and then will ship directly to your home, before the first week of games.
