Select Sides & Buckeye Invitational

We would also like to thank all of the parents and players who put in the time and effort to compete in Rugby Ohio's inaugural Select Side program and Buckeye Invitational tournament. The first two weekends saw the best players in each region play against each other in 12 select side matches. On the

third weekend, Rugby Ohio hosted the Buckeye Invitational tournament where the all Ohio Aviators boys' and girls' teams were named and competed. We hope that all players had a great learning experience, gained exposure to college and select side coaches, and formed new relationships with other players from around the state. None of this would have been possible without the time and effort put in by players and parents during their usual summer weeks off, so again - we thank you very much. We look forward to improving the experience and growing the program and tournament in the coming years.
