RX Training

Thanks to those of you who were able to attend RX training this week. We'll work with the rest of you to get you setup and ready to go. Please contact info@rugbyohio.com to set up your training session if you still need one.

We are working through options for how to name teams in the Competition Management side of things. We'll create those for you based on the participating fall teams and we'll all learn as we go.

Don't forget to give your players the direct registration link for your team. You can find that in the Admin Portal, under Payment Settings and then the subcategory Payment Settings. It will be at the top of that screen. They can get to your club in a variety of ways but using the direct link helps eliminate errors.

Stay tuned for more RX updates. USAR staff is working hard to correct things and fix any glitches. Don't forget to send screenshots of any problems you have to info@rugbyohio.com so that we can pass them along.

Fall 7s Teams & Schedule Update

The schedule is being finalized now based on the below participating teams. If you see any corrections, please contact Ryan as soon as possible.

For the Girls' and Boys' South B side divisions, we're going to use color names rather than B or C.

We'll send a copy of the schedule but will also be building it in the new Competition Management side of RX.
