

Fall 7s Begins Sunday

We're excited to watch some rugby this Sunday! Thanks for your efforts to get your player(s) registered, to and from practices and ready for the season. We know what a busy time of year this is and appreciate your support of these teams, coaches and, most importantly, these players! In this edition of *The Grubber* we'll tell you how to follow your team and get notifications with results and standings.

The transition to the Rugby Xplorer platform has gone well. We'll continue to learn about its features and functions during this fall season. Be sure to download the Rugby Xplorer app for your phone. Refer to these [instructions](#) for how to follow your team(s). We'll begin using the live scoring feature this weekend. And if you are following your team(s), you'll get real time updates.

Merchandise Available

We know how much you like your gear! Items will be available weekly in the North and on the two Dublin weekends in the South. You'll have a selection of hoodies, hats, shirts, windbreakers, rugby balls, key chains, stickers - stop by and check them out! Once the regular season items sell out, they'll be gone but we will try to reorder more, along with some new items, for the finals on October 30th.

There will be concessions available in Vermilion and at St X for Week 1. We'll update you on other options as we go. Please check in with your coaches to see if you can help with bringing water or snacks for your team. Thank you again for all of your support for these teams!!
