Sun, 5/14 - Week 4
Sun, 5/21 - Week 5/Tournament
Round 1

Flex Boys

Amherst
Canton
Findlay
Grove City
Mad Anthony
Marysville

Thanks for a great Flex call! Times for the games will be determined as we work through the schedule details.

Because there were so many teams interested in hosting, we went ahead and included 5/21 in the scheduled weeks. If needed, we'll make that the first weekend of the end-of-season tournament. All teams will be included in the June 4th games at Fortress Obetz.

Host Availability

Would you like to host one of the Flex weekends? We will learn more about what's needed as we have a better idea of what the competition will look like. If we end up with 5 boys and 5 girls teams, and all are able to play 15s, we could potentially split into two locations. The earlier you get your players registered, the easier it will be for all of us to work together to finalize the details.

Please fill out the Doodle poll to share your availability to host. Thank you!

Doodle Poll

Scheduling Additional Games

The Flex days are set. All Flex teams are expected to participate in the Flex days. This guarantees that all Flex teams will have an adequate number of games. Beyond that, you are welcome to schedule additional matches. If you schedule more than 3, Rugby Ohio will invoice you for additional ref and trainer fees. It's not that we don't want you to have as many games as you'd like but the budget is based on 8 games. This is the same policy for all teams.

To schedule those additional matches, please use the [Add/Change/Drop Match Form](#), found through the Coaches page of the Rugby Ohio website. Please include all relevant details (opponent, A/B/C side, date, time, location) so that we can enter the game into the systems accordingly. As soon as your details are sorted, please submit the form. This will help us with scheduling referees and athletic trainers.
