Team Sheets, Media Rosters, Team Check-in

There are always too many tasks at this time of year! Thanks for your attention to these important details.

- **MEDIA ROSTERS** - these are due now. We are printing and compiling for broadcasters tonight and tomorrow morning. They will be alongside your Team Sheet for their reference so when we ask you what position the player plays on the media roster, we just mean generally and not if they will be your starting fullback or anything like that. Here is a blank [roster](#) if you need it. Please give as much info as you can - the commentators really appreciate having something to talk about.
- **TEAM LISTS** - these are easy at this point! Please submit them as soon as you know your lineup. We will be giving these to the commentators.
- **TEAM CHECK-IN** - please report to the merchandise area (off to the side) under the stands inside the Fortress. Your whole team checks in at once. Players may need to show an ID when called. Players are expected to have an appropriate head shot in their RX profile for quicker check-in.

Competition Policies

Here are some answers to FAQs about game management:

- Maximum of 23 rostered players, 2 water/tee carriers (registered; not rostered; not coaches) allowed in player bench area along with one qualified team trainer
- Maximum of 4 coaches (all currently registered, Level 1 Coach certified, SafeSport trained and background checked) allowed in the coach box of the Technical Zone
- Teams are allowed 8 substitutions. These will be managed by the Field Marshal. Subs wear pinnies and present themselves to the Field Marshal when ready to enter the game. The Field Marshal will take the pinnie as the player enters the game and will track your subs.
- Playoff games are two 30-minute halves to allow for overtime, if needed
- Halftime is 5 minutes
- Teams warm up on Field 8 (across the Fortress parking lot) - semis & finals
- In the event of a tie at the end of regulation play, two 5-minute overtime periods will take place.
- In the event of a tie at the end of overtime, the winner will be decided by a penalty shoot out. First series is five place kicks taken on the 22-meter line, in front of the posts. Team will alternate kicks. All five kickers must have been on the field of play at the end of overtime. If still tied after this first series of kicks, teams will alternate kicks, with new players not from the first five kickers, until one team has an advantage for the same number of kicks taken.

Please read the full Championship Guidelines document, found [here](#).

REMINDER - Coaches, players and spectators are reminded that screaming, harassing or being disrespectful towards officials, players, administrators and coaches will not be tolerated.

GOOD LUCK TO ALL TEAMS!
