## Registration Now Open

USA Rugby has completed their refresh of the Rugby Xplorer system for the new registration cycle. We have it all set and ready to go. The only missing piece is if you want to collect team dues through RX. In light of that, we'll hold off announcing that registration is open until Monday so that you can add your fees.

To add club fees, complete the following steps:

- Login to your RX account
- Click on Admin Portal
- Click on Payment Settings and then Payment Settings in the sub menu
- Click on the appropriate fall registration type (HS Fall Girls, HS Fall Boys, VI Fall)
- Click the 'edit' pencil to the right of player
- Add the club fee amount and then click on the check mark and then save

If you have not set up a stripe account in RX, you won't be able to add fees. To add a stripe account:

- Click on Payment Settings and My Account Details
- Verify or edit the email address displayed
- Click on Create Connected Account which will take you to a Stripe menu to complete

As players register this year, they will be sent a unique verification link to provide proof of age. This is a process they will only need to complete once. Once verified, the player's profile will reflect as 'cleared.'

USA Rugby fees did go up this year. National fees are still only paid once a year. The fee for USAR is now \$24. The Youth & High School fee is \$11. Rugby Ohio's fee for the season is \$110. A fall registrant will pay \$145 for the season.

Any player needing financial assistance should complete the [Reduced Fee Grant Application](#). If approved, this grant reduces the Rugby Ohio fee by 50%.

Please contact [info@rugbyohio.com](mailto:info@rugbyohio.com) if you have any questions with the registration system. Parents will be contacted Monday with instructions on how to register.

## Atlantis 7s Clinic & ID Camp

To kick off the fall season, Atlantis will be hosting a Player ID and 7s camp. Atlantis has been a great source of additional player opportunities for Ohio players over the years. This is the first camp they've held in Ohio in many years.

Registration is through Atlantis. The time is tentatively set for 10am to 2pm. If demand warrants it, we will split into two sessions, with boys and girls split into one morning session from 9am to 12 noon and one afternoon session from 12:30 to 3:30pm. Information will go out to all players and via social media once the registration site is open.

**ATLANTIS 7s CLINIC & ID CAMP**  
**SATURDAY, SEPTEMBER 16, 2023**  
**RUGBY WORLD, 4785 AVON BELDEN ROAD, AVON OH 44011**

---

## November T&E Weekend

Rugby Ohio is working with USA Rugby's Training & Education department to put together a comprehensive T&E weekend in central Ohio. More details will be forthcoming as soon as dates and locations are confirmed but the requested dates are 11/4-5 and 11/11-12. The courses offered will be:

Level 1 Coach (Sunday) & Level 1 Referee (Saturday)  
Level 2 Coach & Level 2 Referee (both are 2 day courses)  
Coach of Match Officials  
Strength & Conditioning

The plan is to heavily advertise this weekend and schedule it as the only guaranteed training weekend before the spring season. We'll have hotel room blocks and there will be a dinner/social on Saturday night.
