Fall Reminders

Here are a couple of important reminders for the upcoming season:

- All players must be registered to participate - many of you don't have enough registered players to support your schedule. Please do your best to get all players registered ASAP
- All coaches are required to register and have all credentials up to date (background screening, SafeSport and coach certification)
- Teams lists are due by Saturday each week and are required for each game, submitted in advance
- Matches are being entered into Rugby Xplorer. Team lists and live scoring will be done through the Rugby MatchDay app.
- Be sure to add yourselves as Team Admins for all of your sides so that you'll be able to do team lists and scoring.

Schedule Updates

The [Fall 7s](#) page of the Rugby Ohio website has been updated with the latest version of the schedule. All matches have been created in Rugby Xplorer.

Please take some time this week to ensure you are all ready to go Sunday with your Team Lists and Live Scoring. You can create your squad lists on a computer if you prefer, through the Admin Portal, if you are a club admin. Below are links to a number of help topics provided by RX. Please take the opportunity to ask a player(s) or parent(s) to help you with live scoring as a Team Admin. We know how many things already require your time and attention.

At the end of your matches, confirm the final score with the opposing coach and the referee. Enter the score in MatchDay.

November T&E Weekend

This is still pending but in the works! We will update all of you shortly. Please put this on your calendars if you need/want any training courses.

Rugby Ohio is working with USA Rugby's Training & Education department to put together a comprehensive T&E weekend in central Ohio. More details will be forthcoming as soon as dates and locations are confirmed but the requested dates are 11/4-5 and 11/11-12. The courses offered will be:

Level 1 Coach (Sunday) & Level 1 Referee (Saturday)
Level 2 Coach & Level 2 Referee (both are 2 day courses)
Coach of Match Officials
Strength & Conditioning

The plan is to heavily advertise this weekend and schedule it as the only guaranteed training weekend before the spring season. We'll have hotel room blocks and there will be a dinner/social on Saturday night.
