## Registration

It has been great to see so many of you already registered! Thanks for working to get that done. This is shaping up to be the biggest high school fall 7s season in the country! For those who haven't registered yet, take a look at the information here and get ready to play!

Returning players login to their Rugby Xplorer profile and register for the new cycle. New players will create a profile in Rugby Xplorer and then find a club to register to.

All players will pay their annual national fee (\$35) at the time of registration. This fee will not be charged again if fall players register for the spring season. Rugby Ohio fees for the fall season are \$110. Club fees

vary and are set and managed by the clubs. Some clubs include them in the registration process and others do not. You'll see a full breakdown of fees as you complete the registration process.
