

Fall Schedule Details

The final schedule was sent to coaches this week. We're already making some changes based on an increase in demand for games. All matches will be entered in Rugby Xplorer so that you can follow along in the RX app easily. Be sure to download it if you have not yet done so. The full schedule can be viewed on the [Fall 7s](#) page of the Rugby Ohio website. This is still changing so make sure you are using the most recent version.

Registration - Reminder

All players need to be registered in order to be eligible for play. It has been great to see so many of you already registered! Thanks for working to get that done. This is shaping up to be the biggest high school fall 7s season in the country! For those who haven't registered yet, take a look at the information here and get ready to play! If you are not yet registered, please do so ASAP.

Returning players login to their Rugby Xplorer profile and register for the new school year. New players

will create a profile in Rugby Xplorer and then find a club to register to.

All players will pay their annual national fee (\$35) at the time of registration. This fee will not be charged again if fall players register for the spring season. Rugby Ohio fees for the fall season are \$110. Club fees vary and are set and managed by the clubs. Some clubs include them in the registration process and others do not. You'll see a full breakdown of fees as you complete the registration process.
