### Thank You

The fall season is a hectic one. It starts with the new school year. Teams aren't necessarily in touch with their players. Each week is a long day of games. Most teams travel weekly.

Thank you for giving the players the opportunity to make the most of the fall season. This is the largest fall 7s season in the country and it could not take place without you.

500+ games and 6 weeks later, the season has ended. Congratulations to all and thanks again.

The location of the courses shown in the Learning Center is Etna, OH. Courses will be offered at Watkins Middle School, 8863 Watkins Rd SW, Pataskala OH 43062.

The courses offered will be:

## Spring Schedules

Thanks to all the coaches who have already completed their spring schedule details! We realize that this is a new approach and appreciate you jumping in and getting it done. The coach contact list is the one from last spring. In case you didn't save a copy, you can download it [here](#).

Schedules can be submitted to Rugby Ohio as soon as your home game details are in place. Please use the same excel [file](#) and submit to [info@rugbyohio.com](mailto:info@rugbyohio.com). As we receive them, we will add those games to the master schedule sheet and post it for you to see. Hopefully this will make it easier for you to see when there are openings for you to schedule matches.

The sooner you finalize your details, the better. We can upload with TBD locations and times. The longer you wait, the fewer options you'll have. Please let us know if you have any questions.
