Pre-Season Coach & ORRS Call

Be sure to send at least one coach representative to the call Wednesday night. More than one coach is welcome to attend! We will go over everything you need to know for the season and will hear from ORRS on the law changes that are now in effect.

An RX Q&A session will be held at the end of the call for anyone who needs assistance.

2024 Fall 7s Schedule

Please note that the main location for girls each week has changed from Vermilion to Rugby World (4785 Avon Belden Rd, Avon OH).

The schedule has been published and is available through an [excel file online](#) and through Rugby Xplorer. Both will be updated as changes are made. The name of the excel file will reflect the date of the last changes.

With very few exceptions, teams are given 3 matches weekly.

Please review the spreadsheet as well as RX to make sure you don't notice any discrepancies or problems.

2025 Spring 15s Matchups

Home and away matchups are set for the spring. Please begin scheduling your home games with opponents now. It isn't too early. While some of you won't be able to confirm your venue and time right now, you can make minor adjustments as things are confirmed. Schedule your 6 league games before scheduling any non-league games. Schedule matches between March 6th and May 4th. Any team who is not able to honor the schedule for the 6 assigned matches will not be eligible for the playoffs.

Some of you have asked about teams that end up unable to compete. The week of May 5th will be used to schedule any replacement games needed. If you don't end up with one of those, you are welcome to schedule a non-league game for that week. Playoffs officially begin the following week.

Divisions for 2025 will be announced shortly and are based on last year's actual registration data.

Training & Education Courses

Keep an eye out for Coach and Referee course dates. Rugby Ohio expects to host one of each in November but there aren't any guarantees. If there's a course in place that works for you - sign up now! Upcoming courses:

10/27 - Pittsburgh PA
10/27 - South Bend IN
11/23 - Buffalo NY

Register through your profile in Rugby Xplorer, through the Learning Center.

Rugby Xplorer Reminders

The Rugby Xplorer app is the public facing app that allows everyone to follow teams, view schedules and results, register, etc.

The Rugby MatchDay app is where Team Admins work to submit team lists, attribute scores and report final scores. Team Admins do not have to be certified coaches.

As players register, you are able to assign them to squads. Each side has its own squad list. Team lists are populated with players from that side's squad list. Learn more about [squad management](#).

Team lists are required for each match and should be submitted before game day. Any needed changes can be made on game day with a few clicks through the MatchDay app. Team lists must reflect the actual participants in each match. Learn more about [team lists](#).

Match scores are submitted at the end of each match through the Match Day app. Scores can also be easily attributed to players as the games are played with a few clicks on your phone. Learn more about [live scoring](#).
