Week 2 Reminders

Thanks for a great Week 1! Please continue to refer to the [live schedule sheet](#) and in RX. Subsequent weeks will be updated before Week 2 and there should be only minor changes after that. The name of the file will reflect the date of the last changes.

Team lists are due by Saturday night. Edits are able to be made on game day. Please make sure that the players on the team list match the players on the field. Submit the score from each game in the MatchDay app as the game finishes.

It is imperative that only the 12 players for that game be on your sidelines. The athletic trainers cannot see the fields if there are more people than there should be on the sidelines. This is especially the case when we are using two fields, side by side. Parents and coaches should not come into the trainer tent unless called for by the trainers. We know this isn't easy but it is a player safety issue. Thank you for your cooperation and assistance with this.

Additional reminders:

- **Water is not available at the field locations. Please ensure that you have sufficient water for your team for the day.**
- Only registered, certified coaches with current background checks and SafeSport training are permitted on the sidelines
- 12 players are permitted for all 7s matches. Only the subs for each game are allowed on the sidelines.
- Each team is allowed 5 movements/substitutions
- A red carded player is not allowed to return to game play for the rest of the day; additional sanctions may be imposed through the judicial process
- A player receiving two yellow cards in one day is not allowed to return to game play for the rest of the day; additional sanctions may be imposed through the judicial process
- Team lists are required for every match. These are to be submitted no later than the night before game days. Refer to the RX Reminders section below for more information.
- Ensure that your team area is completely clean before leaving for the day

Thank you! Best of luck with Week 2!

Fall 7s Schedule

Rugby Xplorer Reminders

The Rugby Xplorer app is the public facing app that allows everyone to follow teams, view schedules and results, register, etc.

The Rugby MatchDay app is where Team Admins work to submit team lists, attribute scores and report final scores. Team Admins do not have to be certified coaches. Be sure to add yourself and/or your assistants as Team Admins so that you are able to use the MatchDay app on game days. These reset each season. Learn more about [user permissions](#).

As players register, you are able to assign them to squads. Each side has its own squad list. Team lists are populated with players from that side's squad list. Learn more about [squad management](#).

Team lists are required for each match and should be submitted before game day. Any needed changes

can be played on game day with a few clicks on the MatchDay app. Team lists must reflect the actual participants in each match. Learn more about [team lists](#).

Match scores are submitted at the end of each match through the Match Day app. Scores can also be easily attributed to players as the games are played with a few clicks on your phone. Learn more about [live scoring](#).

Training & Education Courses

Keep an eye out for Coach and Referee course dates. Rugby Ohio expects to host one of each in November but there aren't any guarantees. If there's a course in place that works for you - sign up now! Upcoming courses:

10/27 - Pittsburgh PA
 10/27 - South Bend IN
 11/23 - Buffalo NY

Register through your profile in Rugby Xplorer, through the Learning Center.

2025 Spring 15s Matchups

Home and away matchups are set for the spring. Please begin scheduling your home games with opponents now. It isn't too early. While some of you won't be able to confirm your venue and time right now, you can make minor adjustments as things are confirmed. Schedule your 6 league games before scheduling any non-league games. Schedule matches between March 6th and May 4th. Any team who is not able to honor the schedule for the 6 assigned matches will not be eligible for the playoffs.

Some of you have asked about teams that end up unable to compete. The week of May 5th will be used to schedule any replacement games needed. If you don't end up with one of those, you are welcome to schedule a non-league game for that week. Playoffs officially begin the following week.

Divisions for 2025 will be announced shortly and are based on last year's actual registration data.

2025 Spring Matchups

2024-25 Dates for your Calendar

September 22nd - Fall 7s Week 1
October 27th - Fall Championships
May 17/18 - High School Quarterfinals
May 24/25 - High School Semifinals
May 31st - HS State Championships
June 7th - Regional Select Matches
June 14/15 - Buckeye Invitational
