

## Fall 7s Registration Now Open

Throwback to the winners of last year's Fall 7s Girls Cup Champions, Medina Rugby! Registration is now open for the 2024 edition of Fall 7s. Below is information on how to register and some details about the season.

Players register through the USA Rugby registration platform - Rugby Xplorer. If you are new, it is a two-step process. The first step is to make a profile; the second is to register to a club. Click on the links for help with either of those.

Games are played on Sundays, from 9/22 to 10/27, at 3 different locations. The bulk of girls games are played at the Vermilion Soccer Club Fields. Central and Southern Ohio boys teams rotate between Cincinnati, Columbus and Dayton. Central and Southern Ohio girls teams join them for a couple of Sundays. Northern Ohio boys teams play at Victory Park in North Ridgeville. The Fall Finals (10/27) will take place in Dublin (boys) and Vermilion (girls) this year as we've gotten too big to accommodate everyone at one location. More details, including addresses and starting times, can be found on the [Fall 7s](#) website. The full schedule will be published on that site once it has been announced and will also be available through the Rugby Xplorer app.

If you aren't sure which club you should register to, take a look at the club listing in the image below. Players register to the club in your home school district (unless they attend a school with a rugby team in which case they register to that school team). If there is no team in your school district, players register to the next closest club. Use your home address and the home field of the club in question to find the right club for you. Don't hesitate to contact [info@rugbyohio.com](mailto:info@rugbyohio.com) if you have any questions. Players may not simply register to a club of their choosing.

The fee for the Fall 7s season is \$130. All players pay \$35 to the national bodies (USA Rugby and USA Youth & High School Rugby) once a year. Clubs may charge dues at the time of registration. You'll see a full breakdown of fees as you complete the registration process.
