Respect the Referee

As a result of the nationwide referee shortage, some of which is a result of referee abuse, the Ohio Rugby Referee Society has implemented a new Black Card option for officials.

If the referee identifies a situation he or she would like addressed, the Black Card will be issued. Time will stop. The referee will communicate the problem and allow time for the situation to be remedied. Once this happens, the game will resume. If the problem persists, the referee will issue the Black Card again and the game will be called. Whichever team is associated with the problem will lose the game by forfeit and points will

be deducted from league standings.

Please help us avoid having any Black Cards issued at our rugby events! Thank you for your cooperation and support of all players!
