

Week 3 - Locations & Game Times

Even with quite a bit of rain, Week 2 was a big success. If at all possible, please combine cars as much as possible, especially for the Rugby World location as parking is limited. Even if people combine cars at a nearby shopping center parking lot - that would help tremendously. Also, please remember to stay out of the area of the field that is reserved for the coaches and players involved in the games underway. This is a player safety issue and we need to be sure the athletic trainers are able to observe the fields properly. Thank you! Good luck in Week 3!

We are fortunate to have these fields for use this season. Please help us by being respectful of the facilities. Clean up after yourselves. Bring trash bags. **Be sure to have enough water for your team/players. There are no filling stations at any of these locations!** Alcohol is not permitted.

Respect the Referee

As a result of the nationwide referee shortage, some of which is a result of referee abuse, the Ohio Rugby Referee Society has implemented a

new Black Card option for officials.

If the referee identifies a situation he or she would like addressed, the Black Card will be issued. Time will stop. The referee will communicate the problem and allow time for the situation to be remedied. Once this happens, the game will resume. If the problem persists, the referee will issue the Black Card again and the game will be called. Whichever team is associated with the problem will lose the game by forfeit and points will be deducted from league standings.

Please help us avoid having any Black Cards issued at our rugby events! Thank you for your cooperation and support of all players!
