

## Fantastic Fall!

We've thoroughly enjoyed watching these players over the last 5 Sundays and are looking forward to the finals on Sunday! We celebrate the fall season for many reasons and it would not be possible without the support of coaches, referees, trainers, volunteers, hosts, parents and, of course, the players.

The Fall 7s season is a 6 week long tournament. The seeding for finals is based on the results of the 5 weeks of regular play. Both boys and girls compete for either the Cup or the Shield. This tournament is not a state championship and we are happy to include teams from other states who do not have seasons they can compete in as the distance is too far. This year we welcomed both West Pitt (PA) and City Honors (NY). The Rugby Ohio State Championships are for the Spring 15s seasons. Thanks to everyone for giving these teams such a warm welcome and great competition!

Be on the lookout for the opening of spring registration the first week of November! Good luck to all!

## Respect the Referee

As a result of the nationwide referee shortage, some of which is a result of referee abuse, the Ohio Rugby Referee Society has implemented a new Black Card option for officials.

If the referee identifies a situation he or she would like addressed, the Black Card will be issued. Time will stop. The referee will communicate the problem and allow time for the situation to be remedied. Once this happens, the game will resume. If the problem persists, the referee will issue the Black Card again and the game will be called. Whichever team is associated with the problem will lose the game by forfeit and points will be deducted from league standings.

Please help us avoid having any Black Cards issued at our rugby events! Thank you for your cooperation and support of all players!
